## **Privacy Statement work with us and unsolicited applications**

### **POLI.design S.c.r.l.**

whose registered is located in via Durando 38/A, Milan, TAX/VAT CODE: IT-12878090153, is the Data Controller responsible for processing personal data (hereafter referred to as "POLI.design S.c.r.l.", or the "Controller")

Pursuant to Article 13 of the EU Regulation no. 2016/679 (hereinafter "GDPR"), setting out the provisions for the protection of persons and other subjects regarding the processing of personal data, we wish to inform you that the data you provide will be processed in compliance with the aforementioned law and the obligations of confidentiality deriving from it.

#### **1. Data Controller**

The company POLI.design Srl, based in Via Durando 38/A, Milan (hereinafter referred to as the Company), hereby identifies itself as the Data Controller, pursuant to articles 4, 7 and 24 of EU 2016/679 Regulation (or GDPR) of 27 April 2016 concerning the protection of individuals with regard to the processing of personal data. The Company therefore declares, pursuant to article 13 of the Regulation, its intention to process such data primarily and exclusively for the purposes of training, in accordance with the methods set out below.

#### **2. Purposes**

The personal data we collect will be processed for the purpose of evaluating applications for job positions offered by the Controller; such data will also be processed in the event of unsolicited applications. If the user does not consent to his/her personal data being processed, the Controller will refrain from processing any personal data that may be processed and ensure that it is deleted.

#### **3. Data processing and storage methods**

Processing will be carried out using automated and/or manual methods, in compliance with the provisions of article 32 of the GDPR 2016/679 regarding security of processing, by specifically appointed persons, and in compliance with the provisions of art. 29 of the GDPR. Please note that, in compliance with the principles of lawfulness, limitation of purpose and minimization of data, pursuant to art. 5 GDPR and subject to your free and explicit consent expressed at the end of this statement, your personal data will be kept for no longer than is necessary for the purposes for which they were collected and, in any event, no more than 5 years from the date on which they were submitted.

#### **4. Disclosure and communication policy**

We also inform you that your personal data will never be disclosed or communicated without your expressed consent, unless we are required to do so in order to comply with legal obligations, which may involve the transfer of data to public bodies, or, within the scope of the purposes for which they were collected, to consultants or individuals appointed as processing controllers.

#### **5. Transfer of Personal Data**

Your data will not be transferred to third countries that do not belong to the EU or to other Member States of the European Union.

#### **6. Special Categories of Personal Data**

The Owner does not collect special categories of personal data (articles 9) and 10).

#### **7. Existence of an automated decision-making process, including profiling**

The Owner has not adopted any form of automated decision-making process, including profiling, pursuant to in Article 22, paragraphs 1 and 4, of EU Regulation no. 679/2016.

#### **8. Rights of the data subject**

Pursuant to articles 15 to 22 of EU Regulation no. 2016/679, you may, at any time, exercise the right to:

- request confirmation of the existence or otherwise of your personal data;
- obtain information on the purposes of the processing, the categories of personal data, the recipients or categories of recipients to whom the personal data has been or will be communicated and, where possible, the retention period;
- request that your personal data be corrected and deleted;
- obtain restrictions on the processing of your personal data;
- data portability, i.e. to receive your personal data in a structured, commonly used and machine-readable format and have the right to transmit those data to another controller without hindrance;
- oppose the processing at any time, including for direct marketing purposes;
- object to being subjected to an exclusively automated decision-making process concerning individuals, including profiling;
- ask the Data Controller for access to and rectification or deletion of personal data or restrictions on processing the data concerning the data subject, or to object to its processing, as well as the right to data portability;
- withdraw consent at any time, without affecting the lawfulness of any processing based on consent given prior to the revocation;
- file a complaint with a supervisory authority.

The data subject may, at any time, exercise his rights by submitting a request to the Data Controller via:

- registered letter with return receipt to POLI.design Srl, at the registered office at via Durando 38/A, 20158 Milan
- e-mail address: [privacy@polidesign.net](mailto:privacy@polidesign.net).
